PROFESSIONAL EXPERIENCE

MEDICAL DOCUMENTATION COORDINATOR / FUNDING COORDINATOR

Tasks Everyday — Numotion Account

March 2023 – October 23, 2026

- Coordinate with physician offices and clinics to obtain documentation required for durable medical equipment (DME) orders and related coverage workflows.
- Follow up on medical records, physician orders, letters of medical necessity, referrals, and other required documents; identify missing or incomplete items and track next steps.
- Maintain accurate order notes, follow-up histories, documentation statuses, and operational trackers to support visibility and continuity.
- Communicate professionally with clinic staff and internal stakeholders through phone, email, fax, and other approved channels; escalate unresolved documentation or referral issues as appropriate.
- Manage multiple pending orders and follow-up priorities while balancing accuracy, timeliness, and productivity expectations.
- Contribute to operational reporting through productivity, attendance, over-break, referral, coaching, and follow-up trackers.
- Create and refine process reminders, reference materials, knowledge-base content, and structured tools that support consistent workflows.

Selected contribution: Built and maintained practical operational tracking resources and process documentation. Examples are described at a high level to protect confidential company information.

ADVISER 1 — CUSTOMER SUPPORT

Concentrix — YouTube Account

July 2021 – March 2023

- Provided customer support through chat and email, assisting users with account concerns, platform troubleshooting, and service inquiries.
- Investigated reported issues and communicated resolutions in accordance with company policies and service standards.
- Documented customer interactions accurately and escalated cases requiring additional review.
- Balanced multiple customer interactions while maintaining clear communication, professionalism, and attention to detail.

WORKFORCE SPECIALIST

ePerformax — Shopee Account

February 2020 – July 2021

- Supported workforce operations by monitoring real-time performance, attendance, and schedule adherence.
- Tracked operational metrics and coordinated staffing adjustments to help meet service-level targets.
- Prepared and maintained performance and attendance information for operational visibility.
- Worked with team leaders and support functions to address coverage and day-to-day workforce concerns.

IELTS TEACHER

Cebu Globalization

June 2018 – February 2020

- Delivered IELTS preparation lessons focused on speaking, listening, reading, and writing.
- Developed learning materials and tailored activities to learners' needs and English proficiency levels.
- Provided individualized feedback and guided students in improving language skills and test-taking strategies.
- Strengthened communication, planning, facilitation, and progress-tracking skills.

EDUCATION & CREDENTIALS

- **Bachelor of Secondary Education — Major in Technology & Livelihood Education** — Samar State University | March 2018
- **Licensed Professional Teacher** — Philippines
- **Master of Arts in Education — Major in English** — Completed graduate-level units; degree not completed

DIGITAL TOOLS

Google Workspace (Docs, Sheets and Drive) • Microsoft Office (Word, Excel and PowerPoint) • Customer support platforms • Workforce management systems • Digital trackers and reporting tools
